Hi and thanks for purchasing from Unio Creative Solutions.

About The File:

Introducing “Monolith Freebie” – a contemporary sans which focus on clarity and legibility.

Monolith - Family Sans, in the commercial version, includes two contrasting versions: Light and Regular with corresponding true italics. This font family combine modernist shapes with slight grotesque touches. Each variant was designed with an attentive optical evaluation; curves, details and spaces were specifically tweaked to better suit the requirements of a highly-legible typeface.

The end result is a family with full multilingual capabilities and a coverage of several languages based on the Latin alphabet; Monolith aims to become your next typographic companion.

Specifications:

- Files included: *Monolith Light Italic Freebie*
- Formats: .otf
